

How you can help

We can't provide diapers for low-income families and raise awareness about diaper need without your help!

DONATE MONEY

The Diaper Bank can purchase diapers and wipes at a fraction of retail cost. Every dollar you donate to the Diaper Bank can buy more diapers than you could purchase with that dollar at the store. Donate today!

DONATE DIAPERS

You can drop off new or opened packages of diapers at one of our drop-off locations. See website for locations and to set up a drop-off.

HOST A DIAPER DRIVE

Do you know other people who would want to provide diapers to families in need? Organize a diaper drive to collect diapers and financial donations.

START A COLLECTION SITE

Do you have a child in day care? Visit a local business frequently? Ask them if they would keep a collection bin and set up a schedule to pick up those diapers.

VOLUNTEER

We can always use help! All ages are welcome! It's a great way to engage a scout group, school group or volunteer committee, as well. There are opportunities for groups and for individuals.
